

SUGARING

This ancient Egyptian technique of hair removal is one of the less painful hair removal methods and lasts longer than waxing. Thins hairs out quickly & leads to permanency. Can be performed on very short hairs, so will work great if you usually shave. Highly recommend if you are just starting on your hair removal journey.

Half Leg	\$43
Full Leg	\$80
Brazillian	from \$50
Underarm	\$35

60 min | \$150

The perfect facial for first time clients OR to maintain your skin. Customised to suit your individual skin concerns for personalised results. Including: *Skin consultation, double cleanse, exfoliation, steam, extractions, massage of face, neck, shoulder & scalp, mask and finishing products.*

PRO PEEL 30

30 mins | \$120

Results driven 30 min Treatment

Treats: Acne, Fine Lines, Hyperpigmentation, Ageing. Customisable - no down time - non invasive. For best results perform every 2 weeks for 4-6 sessions. Packages available.

PRO PEEL 60

60 mins | \$200

If you want results PLUS pampering then this is the treatment for you!!

Results driven PLUS all the pampering of our Core Skin Treatment.

30MIN FACIAL/TEEN FACIAL

30 mins | \$80

A 30min facial focused on cleansing, exfoliating and extractions. Great for teens or anyone with congestion.

HYDRODERMABRASION

60mins | \$190

Our Core Skin Treatment combined with deep exfoliating and hydrating benefits of our diamond tip hydrodermabrasion machine.

Your skin will look & feel amazing. Great for any skin concerns. No Downtime

DEEP CLEANSE

45 mins | \$95

A great facial for anyone with acne or congestion. Targeting areas of concern with cleansing, exfoliating, extractions and a masque.

LED LIGHT THERAPY

30 mins | \$75 | Packages available

Light Emitting Diode is a non invasive Light Therapy that helps treat ALL skin concerns. It's a must have treatment for anyone who's serious about results.

We use Red - Blue- Green - Yellow light waves, which we will customise to your skin and it's conditions.

Your LED Facial will include a double cleanse, skin analysis, serum, mask, 20 mins of LED Therapy, hand massage & finishing products.

A mini results driven facial without the price tag! Can be performed 2 x week for problem skin or once month for maintenance.

UPGRADES

Add one of our amazing specialised treatments in to any of our facials for an instant boost:

Hydrodermabrasion	\$40
LED Light Therapy	\$40

IPL & SHR

Before we start your treatment, all IPL sessions require a Consultation & Patch Test prior to your first treatment. This is to ensure you are a suitable candidate.

Time frames for treatments will vary depending on the area being treated (however most require a visit every 2-8 weeks)

30 mins | \$40

Brazilian and underarm	\$150
Lip & Chin	\$75
Half leg	\$150
Back & shoulders	\$170
